 Coyote. He overlooked Locust. He kicked him. He killed

## Ktunaxa Sentence Construction Workshop

Wednesday - January 21 - 2015

Lower Kootenay Band Complex

You know how frustrating it can be when you learn a few beginner rules but you can't see them in examples of "real world" sentences? Well we're excited to announce a Ktunaxa language workshop to help you make those connections. We'll be reviewing some basic Ktunaxa grammar rules, then looking for evidence of these rules in Ktunaxa texts. Some of the subjects covered will include use of affixes, verb construction, and syntax. The context will also focus on aspects of the Lower Kootenay Dialect.

### Schedule:

- 9:00-9:30 a.m. Coffee meet and greet
- 9:45-10:15 a.m. Some of the challenges to learning the language
- 10:30-12:00 p.m. Basic grammar rules
- 12:00-1:00 p.m. Lunch
- 1:00-4:00 p.m. Working on sentences

***This workshop is for all levels of Ktunaxa speakers.***

**RSVP to [mjasonlouie@gmail.com](mailto:mjasonlouie@gmail.com) to ensure we have enough lunch.**
