Management's Responsibility for the Financial Statements

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, cont

g) Short term Investments

h) Financial Instruments

The Band's financial instruments consist of cash, accounts receivables, accrued liabilities, accounts payables and long term debt. The fair value of these financial instruments approximate their carrying value due to the immediate or short term maturity of these instruments.

i) Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond on year and which are intended to be used on an ongoing basis for producing goods and delivering services.

Tangible Capital Assets are amortized annually with a corresponding reduction in Net Assets Invested in Tangible Capital Assets. Tangible Capital Assets are amortized over their expected useful life using the straight line method at the following rates:

General housing	5%
Buildings and improvements	4%
Infrastructure	4%

Automotive	30%

In the year of acquisition, 50% of the normal amortization is recorded.

Funding received under the terms of contribution agreements with the federal government is recognized as revenue once eligibility criteria have been met. Funding is recorded as deferred revenue if it has been restricted by the federal government for a stated purpose, such as a specific program or the purchase of tangible capital assets. Deferred revenue is recognized in revenue over time as the recognition criteria are met.

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as revenue in the year of receipt and classified as Restricted Members' Net Assets on the Statement of Financial Position.

l) Measurement Uncertainty

In preparing the financial statements for the government of Lower Kootenay Indian Band, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. LOWER KOOTENAY INDIAN BAND

NOTES TO THE SUMMARY FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2012

14. FINANCIAL INSTRUMENTS

The Band is exposed to various risks through its financial instruments. The following analysis provides a measure of the entity's risk exposure and concentrations at the balance sheet date, March 31, 2012.

Credit Risk

Credit risk is the risk of loss associated with counterparty's inability to fulfill its payment obligations. The Band's credit risk is primarily attributable to cash and receivables. Management manages cash default risk by dealing with large financial institutions with good credit ratings and manages receivable credit risk through standard reference checks.

Liquidity Risk

The Band's approach to managing liquidity risk is to ensure that it will have sufficient liquidity to meet liabilities when due. All of the Band's financial liabilities have contractual maturities of less than 120 days and are subject to normal trade terms.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes on market interest rates. The Band is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Given the current composition of long term debt, fixed rate instruments subject the Band to a fair value risk while the floating rate instruments subject it to a cash flow risk.

REVIEW ENGAGEMENT REPORT

To the Members of the Lower Kootenay Indian Band,

At the request of the Lower Kootenay Indian Band, we have reviewed the Schedule of Salaries, Honouraria, Travel Expenses and Other Remuneration of Elected or Appointed Officials and Unelected Senior Officials of the Lower Kootenay Indian Band as at March 31, 2012. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Band.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these schedules.

Based on our review, nothing has come to our attention that causes us to believe that these schedules are not, in all material respects, in accordance with generally accepted accounting principles.

AUDITORS' DERIVATIVE REPORT FOR THE SCHEDULE OF FEDERAL GOVERNMENT FUNDING

To the Members of the Lower Kootenay Indian Band,

We have audited the summary financial statements of the Lower Kootenay Indian Band as at March 31, 2012 and for the year then ended and reported thereon under date of January 16, 2014.

A schedule of Federal Government Funding is required to be presented to the membership of the Lower Kootenay Indian Band pursuant to the funding agreement between Aboriginal Affairs and Northern Development Canada and the Lower Kootenay Indian Band. The schedule has been compiled from information provided by the management of the Lower Kootenay Indian Band.

For the purpose of compiling the attached schedule, Lower Kootenay Indian Band has used the following interpretations in conjunction with the instructions provided by Aboriginal Affairs and Northern Development Canada Year-end Reporting Handbook for First Nations Supplement Regarding Schedule of Federal Government Funding dated February 2010:

- Where a program receives federal government funding and other sources of funding, the federal government funding is assumed to be expended before any other source of funding;
- Where amounts are transferred internally between programs that each receive federal government funding, such amounts are recorded in the schedule as a transfer;
- Where amounts are transferred from a program that receives federal government funding to a program that does not receive federal government funding, such amounts are recorded in the schedule as expended, if expended;
- Where federal government funding has been received in the year and allocated by the Lower Kootenay Indian Band to cover amounts expended in previous fiscal periods, such previous expenditures are recorded in the schedule as funding expended.

For the purposes of understanding our involvement with this schedule, please note that:

- We have audited and separately reported on the summary financial statements;
- Our audit was conducted for the purpose of forming an opinion on the summary financial statements taken as a whole;
- The attached schedule is presented for the purpose of forming an opinion for the Membership and the Department of Indian Affairs and does not form part of the summary financial statements; and
- The attached schedule has been subjected to the auditing procedures applied to the audit of the summary financial statements taken as a whole.

However, no procedures have been carried out on this schedule in addition to those necessary to form an opinion on the summary financial statements. This report is to be used solely to satisfy the Aboriginal Affairs and Northern Development Canada funding requirements and should not be referred to or used for any other purpose.
