Re: 1 Seat available 2017-2108

There is one seat available for part-time LKB Education Post-Secondary Assistance Sponsorship September 2017 to April 2018. **Part-time Sponsorship covers tuition and books only.**

Please see LKB Education Policies and Procedures & Application for Post-Secondary Assistance or email me at the above email address to request the application.

Eligible Program;

- Program must be 8 months in length
- Pre-requisite grade 12
- Eligible institution

First come first serve, meaning the first one who has submitted all required documents first, will be considered for sponsorship. The checklist is attached to the LKB Education Policies and Procedures for Post-Secondary Assistance.

Please note:

Email , phone inquiries, or outside office conversation does not secure a seat!

Should you have any questions, please do not hesitate to email me.
