### Profile:

My name is **Carol Louie**, I am an incumbent Candidate in the LKB Election (served a by-election 1 yr term) I am an active mother, sister, aunt, great aunt, grandmother, great grandmother. I live in LKB community. I am an active band member in participating in community events; meetings, dinners, fundraisers. I am an Artisan in my free time.

### Things to think about;

Better communication with membership is most important & priority, transparency by including band members for awareness in decision making, and addressing questions/concerns. Aside from INAC monies allocated, imperative to create community funds for Education & employment training, Health, Housing, Social Investment, Cultural & language , Traditions. Provide annual budget review, referendum on Chief & Council honorarium amount if any and expectations. Set LKB membership code, Title & Rights, Jurisdiction, Ombudsman, Youth engagement, Elders Council/Group, continue open band meetings but not limited to.

**My strengths;** I am my own record keeper even if there's a minute taker, I am always researching and learning to keep well informed . I listen to everyone equally and ask the hard questions so I can answer the hard questions. I know the most valuable thing an elected councillor owes the community is time and I give it. I walk my talk, I am the same person whether as an elected official or as a band member. I am an advocate, I have perseverance, I am patient and logical, an independent thinker. I am accountable for my actions and my words.

**I am acknowledging that your vote does matter and it can make a difference for change that you wish to see!**
